

Kittelson Mission Update  
2017-7-16

To equip the saints for the work of ministry, for building up the body of Christ, Ephesians 4:12

During this time as we are preparing for our Home Assignment, we have had the privilege of working with Jessica. Victory LB Church, Hsinchu, has asked Jessica to be a part of the Victory Hakka Fellowship with the intention of her becoming the one to oversee the group in our absence.

Jessica is a graduate from China Lutheran Seminary. She is Hakka and has an interest in ministry among the Hakka.

We have enjoyed having her be a part of the Victory Hakka Fellowship. In these past months, she has attended our worship on Saturday mornings. She has helped us by leading the prayer meetings before the worship time. She has also been with us during activities for outreach and evangelism.

Jessica has also joined us as we go visiting, so she has had the opportunity to meet those that we visit regularly, both those shut-ins and those who we are sharing Jesus with. Many of these contacts are family or friends that were introduced to us by other members of Victory LB Church.

We do thank and praise God for her willingness to help Victory Hakka Fellowship. She will also be bringing the message from God's Word at least once a month as well as oversee the testimony times during the meetings. Jessica has already been in contact and has arranged for other guest speakers for the months that we are in the States.

Please pray for the Victory Hakka Fellowship as they once again learn to care for the needs of the group while we are on Home Assignment.

We praise the Lord for Sophia and Albert who will be helping with music.

Pray for Michael and Delores as they make arrangements for their schedule to visit churches from October to the end of January 2017.

Thank you again for your support and care for our family as we serve in Taiwan. We look forward to seeing many of you this fall when we are on Home Assignment. Until then may God bless you.

Peace and joy,

Pastor Michael and Delores
