

Pilgrim Lutheran Brethren Church Medical Release

Children in 3rd grade and under must remain under teacher supervision until pick-up by an identified adult. Any child's family that is not familiar to their VBS teachers must provide the names of individuals who are authorized to pick up the child. If an unauthorized person attempts to pick up the child, the issue should be immediately brought to the attention of the pastor and or VBS director(s). The pastor or VBS director(s) will then make every attempt to contact the child's parents or guardians to obtain authorization to release the child to the unidentified adult. If authorization to release the child is not obtainable, the pastor and or VBS director(s) must make a discretionary decision whether to release the child or further pursue necessary authorization. I understand that my child will be attending VBS at Pilgrim Lutheran Brethren Church, June 11-15, 2017. I give permission to the staff at Pilgrim to obtain medical treatment for my child in the event of an emergency. I understand that every attempt will be made to contact me in such an event.
