STUDY QUESTIONS

It can be difficult to think of Christ on the cross. What stage of Jesus' birth, life, death, resurrection, ascension, or return do you tend to think of?

Our text teaches us that Christ has become our wisdom, that is, our righteousness, holiness, and redemption. What does this mean? What does "wisdom" generally mean to you?

More about wisdom – look at I Corinthians 2:5-10.

Does it surprise you that Paul talks about boasting?

Can boasting be healthy?

Ideally, if we boast, we boast about someone else. How do you react to someone boasting about him or herself?

Why does Paul focus so fiercely on boasting in Christ alone? See II Corinthians 10:17, Romans 3:21-25, 4:1-2.
