

## Sunday School Re-Opening Plans for July 12, 2020

### 1. Pre-School – Kindergarten Class

- This class will meet in its usual location, on the main floor.
- The two teachers will wear the clear face shields (which we have available).
- The two tables which the children sit at will be separated and the chairs spaced apart to ensure safe distancing for the children.
- During the story and video presentation, the children’s chairs will be placed in a spaced out semi-circle, with distance from the teacher, who is the focus of the presentation.
- A visual reference, such as a pool noodle or taped markings, will be used to demonstrate 6 feet of separation.
- No snacks will be distributed during the class.
- Students will use hand sanitizer upon entering and exiting the classroom and throughout the class time as needed.
- After class, the chairs and tables and door knobs (and other touched surfaces) will be wiped down with Clorox wipes.
- If deemed necessary for increased ventilation, the windows in the room will be opened.

### 2. 1<sup>st</sup>-5<sup>th</sup> Grades Class

- This class will meet in CR-5 in the basement.
- The two teachers will wear the clear face shields (which we have available).
- Two tables will be added, for a total of four, placed in a configuration that will ensure safe distancing for the children.
- A visual reference, such as a pool noodle or taped markings, will be used to demonstrate 6 feet of separation.
- Snacks are not provided; however, in order to eliminate water fountain usage, a pitcher of water and cups will be available.
- Students will use hand sanitizer upon entering and exiting the classroom and throughout the class time as needed.
- After class, the chairs and tables and door knobs (and other touched surfaces) will be wiped down with Clorox wipes.
- If deemed necessary for increased ventilation, the window in the room will be opened.

### 3. 6<sup>th</sup>-12<sup>th</sup> Grades Class

- This class will meet outside in the pavilion, allowing for safe distancing and fresh air.
- Hand sanitizer is located in the pavilion.

### 4. Gospel Project Adult Class

- This class will meet in the Fellowship Room.
- The six tables will be arranged in a “seminar” style configuration, where the adults will sit, spaced apart, behind the tables, all facing the teacher at the front of the room.
- Adults are encouraged to wear face masks.
- Hand sanitizer will be available.
- Class members are encouraged to bring their own drinks (coffee/water). No drinks or food will be provided.
- Volunteers will wipe down the tables with Clorox wipes after class.

Clorox wipes will be available in the bathrooms for people to use for cleaning if they feel it is necessary. Door handles will be wiped down after Sunday School.

Generally speaking, the same guidelines followed for worship services will be followed for Sunday School classes. Masks are encouraged, but not required for Sunday School classes.
